Is there anything specific that can be improved upon? Nothing to really improve on. At times it was a little harder to hear Terrell when he was talking, but I think most of that was because our group was so loud!

Additional comments or suggestions?

You company was great to work with before and during the event. Terrell did a great job of choosing appropriate music and even catered to our younger kids when they were dancing. All in all it was a good event and a job well done!
