Is there anything specific that can be improved upon?

I am proud to be a repeat client! Cathy was absolutely spectacular. She weaved in and out of the crowd so seamlessly I didn't know she was there snapping photos as I worked the room. I had told her I wanted a lot of candid shots of my guests having fun, and she did just what I asked. I also saw her taking various artistic shots of the decorations as well as a precious momento with each party guest--I can't wait to see the pictures to put in my album. Most of all, Cathy touched me by telling me to just enjoy myself and mingle with my guests; she would take care of the rest--and she did just that! I will gladly use her photography services again at next year's party.
