Is there anything specific that can be improved upon?

DJ Jason Hook is extraordinary, my guest loved him and his jams. The dance floor stayed packed with people dancing, rocking and rolling until the end. I received text messages late that night and early Sunday morning about Jason being the bomb. Yes, Jason was the bomb, my guest at the table, on the floor, in the corners, everybody was partying like it was "1999."

Additional comments or suggestions?

I was more than pleased with DJ Jason, and I will definitely use him again for my next party, and man, I can't wait for my retirement party. Jason played the right music jams at the right time, and closed the party out on a very HIGH jam that left my guest pumped up, asking when is the next party.
